Welcome

From The Aaron Glenn Foundation

In 2003, I established The Aaron Glenn Foundation to support and under gird the great work and vision of charities here locally and throughout the state of Texas. Since its inception, our foundation has supported education, youth and health initiatives impacting many families and children.

Through your generous support, we have provided opportunities for young people to further their education at Houston Community College Northeast and my alma maters Texas A&M and Aldine Independent School District. In addition, we have provided financial and fund-raising support for The Candlelighters, Texas Children's Medical Center, The Boys and Girls Club of Bryan-College Station, the Parent Academies in District 4 of the Dallas Independent School District, and countless other worthy causes.

Every year, you can expect either a Gala or Golf Classic to help us continue raising our much needed funds. This year, we have chosen to take it to the green! Enclosed are the details of the 2007 Aaron Glenn Foundation Golf Classic, themed: **'Putt to Make A Difference'**. Allow me to give you a sneak preview...Ours is unlike any tournament you've experienced! Why? Because we consistently deliver elements of surprise, excellence and FUN – it is our goal to do it better than any other!!

On behalf of The Aaron Glenn Foundation and the lives we impact, I hope I can count on you to come out and play with my friends from around the NFL, professional sports leagues and the entertainment industry. It would be my honor to chat with you while we **'Putt to Make A Difference'** for the children and families of our community!

Thanks for your continuing support, and I look forward to seeing you on April 9, 2007 at the breathtaking Sweetwater Country Club!

Warm regards,

Aaron Glenn | CEO/ FOUNDER
